Leaf Rubbing From My Plant

Another Rubbing
Observations 1
Use sentences to answer the questions.

How would you describe your plant? Use words to describe its characteristics (form, size, color, branches, bark, evergreen or deciduous)

What animals do you see or hear using your plant? Describe how they are using your plant (food, shelter, shade, nest, web?)

Is weather affecting your plant? (sun, shade, rain, wind, cold)

Observations 2
Use sentences to answer the questions.

List two things you know about your plant.

List two things you would like to know about your plant.

List two things you would like other people to know about your plant.
