

Deciduous

Winter stems are orange to red. Thorns occur at nodes along the stem, usually at the base of leaves or branches.

This deciduous shrub can grow up to 15' tall.

PNW Native Plant
PPNC: 74

Nootka Rose *Rosa nutkana*

Leaves have five to seven, toothed leaflets.

Pink flowers are usually single, not clustered.

Purplish-red rose hips are round to pear-shaped and occur singly. Sepals are clearly present.
