

General: Deciduous perennial; 8"-24" tall

Leaves are arrowhead shaped

Young growth

Form:
Upright
branched,
somewhat
woody at
base, forms
masses

Flowerheads

Flowers: Tiny red flowers
in clusters at stem tip

Management Strategies

- Rhizomatous roots: re move all; easily break into pieces that can resprout
- Primary spread: Creeping rootstock, seed

Check with parks department or school district for proper disposal.

Sheep Sorrel

Rumex acetosella

A Non-native Plant

WPGS: 150
